Franklin Township  
Community School Corporation

### Franklin Central PFO

The Parent Faculty Organization (PFO) strives to be a connection between the faculty, students and parents, and help support the school in meaningful ways. In recent years our primary activities have been a teacher/staff appreciation lunch in December and the after-prom in the spring. We raise money for these events by selling concessions and novelties at our home football games and drinks/snacks at the homecoming dance.

Last year we were able to add the provision for two \$200 teacher grants and the management of the faculty/staff bereavement and celebration fund to our endeavors. We were thrilled to be able to expand our support in these small ways and hope to continue these activities next school year.

The PFO meets the third Thursday each month at 5:00 PM. The meeting take place at the high school. Additional information can be found on the PFO link through the high school website.
