## Indiana Online Academy (IOA) Summer Session Guidelines

- During the summer session, time commitment is greater due to the condensed time frame of the class, **students should plan on spending approximately 16 hours a week per class**, self-motivation and good time management are essential to successfully completing an IOA class
- Students must complete 20% of the assignments and the Welcome Folder by June 17 or they will automatically be withdrawn from the course by IOA. **All course work must be completed by July 18.**
- **Students must pass the final exam with a 60% or better in order to receive credit for the course, regardless of the students' prior coursework grade, students who do not pass the final exam will receive an F for the course**
- **Final exams will be offered in the Media Center at Franklin Central on July 15-18.** Students will be able to register for a date/time to take the final exam after June 21 through their IOA student account. All final exams must be completed by July 18—there are NO exceptions. Students who do not take the final exam will fail the course. If a student is unable to take the final exam during the scheduled dates, he/she must seek other arrangements with a local library, learning center, or school in the area.
- **Technology requirements:** The student must have an active email address, daily internet access, and basic computer skills. The browser used should be Chrome or Firefox (Safari is problematic in some courses). Word processing, spreadsheet, presentation, Adobe Flash, and updated Java programs are needed (Microsoft Office or Google products); course content may NOT be mobile friendly, which includes, iPhones and tablets.
- If a student chooses to withdraw from an IOA course by June 17, there will be no penalty and the student will not receive a grade for the course. If a student withdraws from an IOA course after June 17, a failing grade will be sent to Franklin Central and will be placed on the student's transcript

**\*By registering for an IOA course, the student and parent agree to all of the guidelines and requirements of the IOA summer school session. The final grade earned by the student in the course will be sent from IOA to Franklin Central, and whatever grade is earned will be placed on the student's official Franklin Central transcript and count toward the student's class rank and GPA. This also applies for any failing grade, including those for failing the final exam or for not completing the final exam. More information about IOA classes and the guidelines can be found at the IOA website, which is listed below.**
