

# Franklin Central Parent Faculty Organization (PFO)

## What does the PFO do?

In recent years, the PFO has primarily supported (financially and with volunteers) the following:

- After-prom activity night for juniors and seniors
- Staff appreciation luncheon
- Small grants for teachers for special projects

With more participation, we could do more such as buying books, software and art supplies.

## How does the PFO accomplish its tasks?

The PFO raises funds by:

- Selling refreshments, novelty items and 50/50 tickets during home football games.
- Selling soft drinks at the homecoming dance.
- Celebration sign sales: Parents can rent sign to celebrate a student's birthday or accomplishment for \$25. The sign is displayed outside of Franklin Central for 2 days, but not in inclement weather. To rent the celebration sign, you can complete a form at the school's main office or online at the PFO link on the school's website. Money must be paid at the school's main office before the sign will be displayed.

**Time commitment:** There is no required time commitment. We will send out emails regarding meetings and volunteer opportunities. Some folks get really involved and some don't. That being said, we do need volunteers to raise funds, so consider helping with **just one event a year**.

**Join now:** You'll get to know other parents, stay up-to-date on school happenings, support education and HAVE FUN! Dues are \$5 per family. Make checks to: FCHS PFO.
