**Looking for ways to make up credits  
or work ahead for next year?  
Here are some great options!**

**Incoming freshmen** can choose one or both options listed below. Students can take up to 2 courses (in person and/or online).

- Attend FC summer PE in person from 8am to 12pm each day from Monday, June 7 to Wednesday, June 30 and earn 1 PE credit. Come dressed for PE. Transportation and lunch will be available at no charge! Sign up [here](#) (opening this link will automatically ask you to create a copy of the form for you to complete)
- Take up to two courses through Indiana Online Academy. Visit [here](#) for courses that FC will accept and for the direct link to IOA. Incoming freshmen can take online PE, Preparing for College and Careers and/or Health. Please read carefully to make sure you understand the expectations. Whatever grade is earned with IOA will be transcribed.
