

Beginning with the 2021-2022 school year, students completing a U.S. Government course must participate in the naturalization examination. Schools must report the results to IDOE in addition to posting them on their public website. More information regarding IC 20-30-5-7(d), naturalization examination materials, and reporting of results can be found [here](#).

Franklin Central High School
Naturalization Exam Report
(UC 20-30-5-7)

of students taking the exam:

281

of students passing the exam (60+%):

213

% of students passing the exam:

75.8
